Give me bright lights, long nights
High —, overtime
Give me bright lights, long nights,
Party till the sun is rising
High —, overtime
Working till the moon is shining
Hot guys, fly girls, never thought I'd say
I feel on top of the world,
I feel on top of the world, oh hey

I'm ready for the pressure
The drama and the pleasure
Got my whole life here in front of me
I'm taking over when I hit the streets
Glamor, glitter and gold
Nothing is stopping you,
Nothing is stopping me
In this fancy out of control
I'm stay in pursuit,
Do what I gotta do

Give me bright lights, long nights,
Party till the sun is rising
High —, overtime,
Working till the moon is shining
Hot guys, fly girls,
Never thought I'd say
I feel on top of the world,
I feel on top of the world, hey

It's like a roller coaster
One step away I'm closer
I can see it there within my reach
Won't let the city get on top of me
Glamor, glitter and gold
Nothing is stopping you,
Nothing is stopping me
In this fancy out of control
I'm stay in pursuit,
Do what I gotta do
Give me bright lights, long nights,

Party till the sun is rising
High—, overtime,
Working till the moon is shining
Hot guys, fly girls,
Never thought I'd say
I feel on top of the world,
I feel on top of the world, oh hey

I can do it on my own,
You can't stop me
Make another place my home,

The only thing I know is I won't fall
And I have it all

Give me bright lights, long nights,
High—, overtime,
Working till the moon is shining
Hot guys, fly girls, never thought I'd say

I feel on top of the world,
I feel on top of the world

Give me bright lights, long nights,
Party till the sun is rising
High—, overtime,
Working till the moon is shining
Hot guys, fly girls,
Never thought I'd say
I feel on top of the world,
I feel on top of the world, hey

Give me bright lights, long nights
Ahh...
High—, overtime
Hot guys, fly girls,
Never thought I'd say
I feel on top of the world,
I feel on top of the world, oh... hey
