What is this feeling  
That's put you in your place  
A hot red burnin' on the side  
Of your face

You feel the blood rush to your cheek  
Tears start to fill your eyes  
Your lips are trembling, but you can't speak  
You're trying, oh, you're trying not to cry

You just got slapped  
Across the face, my friend  
You just got slapped  
Yes, that really just happened

Everybody saw it, ha  
And everybody laughed and clapped  
'Cause it was awesome  
The way that you just got slapped
