Oww!

Theres a halfman, half horse, who still runs through my thoughts as he rides on a flame in the sky
He comes through the centuries with me on his engines. The kids and the cats watch him fly.
Please catch that half horse as he murders my thoughts with the fragments of flames anyway
Halfman, halfhorse as he rides on a flame in the sky

Fooooour hooorse meeeen tweeentyyy
Klaxons not centaurs! (ooow)

Wont you please catch that horse as he murders my thoughts. Im left with the fragments and flames
