oooooooo ahhhh

Light touch my hand, in a dream of Golden Skans,  
from now on.  
You can forget our future plans.  
Night touch my hand with the turning Golden Skans,  
From the night and the light, all plans are golden in  
your hand.

Set sail from sense, bring all her young.  
Set sail from where we once begun.  
While we wait, while we wait.

A hall of records, or numbers, or spaces still undone.  
Ruins, or relics, disciples and the young.  
A hall of records, or numbers, or spaces still undone.  
Ruins, or relics, disciples and the young.

Light touch my hand, in a dream of Golden Skans,  
from now on.  
You can forget our future plans.  
Night touch my hand with the turning Golden Skans,  
From the night and the light, all plans are golden in  
your hand.
