Every time we leave
Come on and dance with me
Every night we night we leave
Come on and dance with me
Our games end in endless harmony
Our games end in endless harmony

These are the rest of my attempts:

A valley on bermuda
Holds in the ..sea

Come on and dance with me
Come on and dance with me
Every time we leave
Come on and dance with me
Every night we night we leave
Come on and dance with me
Our games end in endless harmony
Our games end in endless harmony

Devil
...deadline et decorum
Modus operandi
..frequency

Come on and dance with me
Come on and dance with me
Every time we leave
Come on and dance with me
Every night we night we leave
Come on and dance with me
Our games end in endless harmony
Our games end in endless harmony
