Totem On The Timeline

Club 18 30 I met Julius Cesar
Lady Diana and mother teresa
Club 18 30 I met Julius Cesar
Lady Diana and mother teresa

Signs, you know I see them all the time
Time, it's just a fraction of a sign

Serebella sitting on the totem timeline
Unwelcome foreign hands are very hard to find
Hangmen also die, in famagusta's hive
Serebella sitting on the totem timeline
Unwelcome foreign hands are very hard to find
Hangmen also die, in famagusta's hive
