[J.Weaver]

Ooh, yea yea  
DTP, how we do  
Call you and you can call me  
Whatever you wanna do babe

[Chorus: J.Weaver & Chingy 4x]

(You, could, roll, wit, me)  
You call if you wanna roll with me  
(If you was my baby)  
I'm only one call away

[Chingy]

It was weird how we met, huh  
She was wit her mom in Bank America  
I'm wit my son cashin the check  
So I asked outta respect (uh)  
Would she like to explore the world or buy  
We can fly in my jet  
Her reply was "Yes, can I ask you sumpin?"  
I seen it in her eye, mama lookin like all I wanted was  
sex  
Scene moved to the next (that is true) but it was  
something  
about this girl's style that make me feel no regrets  
We started off casual; walks through the park  
Candle light dinners by dark, I'm thinkin smart (smart)  
Of course she might think I'm in a rush  
To touch, clutch and be up, but baby I ain't on that stuff  
Dropped her off and told her call me up, we can talk  
Conversate about political subjects whatever's thought  
So I zoomed off, lookin by and my phone rang  
It was her in the shower, (she said) she said "I couldn't  
do without ya"  
Then I said. . .

[Chorus: J.Weaver & Chingy 4x]

(You, could, roll, wit, me)  
You call if you wanna bump over me  
(If you was my baby)  
I'm only one call away

[Chingy]

The next day I'm with the fellas at the case playin ball  
Here she comes wit her friends they posted up on the wall

Now I'm showin off, trynta dunk trynta dribble break fast

Through the middle just to see her smile and giggle  
Game over I punched her wit a kiss on the cheek  
The homeboys lookin at me sayin "Lil Howard you weak"

But you know how that go, what I got they want  
What I got I flaunt, never mess wit it, PLEASE don't  
Told her "I'm going home" she asked can she go too  
I'm like "Yeah boo, I can't see me without you"  
Got thurr, I took a shower jumped out she in the bed  
With a see-through thong said I looked at her and said.  
..

[Chorus: J.Weaver & Chingy 4x]

(You, could, call, me)  
You call if you wanna roll with me  
(If you was my baby)  
I'm always one call away

[Chingy]

Girl recognize game, before game recognize you  
You're dealin wit a player, True  
Now whatchu wanna do?  
We can kick it and go puff on a bluuunt  
Oh you don't smoke? Grab a pint of Hen' then we can get druunk  
It's up to you, I'm the man but baby just let me know  
Cuz if you got an attitude I could treat you just like a ho  
Get to rollin wit me baby, hop in there's enough room  
We can gaze at the stars that shine like the moon  
Gimme a chance to show ya, and a chance to know ya  
Just be true, and there's nothing I won't do, for ya  
Some women like to play it foul (foul)  
But them the kind I put in the place of a child (child)  
Don't worry be happy and smile and. . .

[Chorus: J.Weaver & Chingy 4x]

(You, could, roll, wit, me)  
You call if you wanna roll with me  
(If you was my baby)  
I'm only one call away
