[Jay]

Say my name, say it loud
Say it just to me
Say it once, say it twice
But don't disappear
Cause I say and I pray
That you always be the one
Always swear, always swear
That it is so true
That I miss your sweet kiss
And the rendezvous
Cause I say and I pray
That you always be the one

[Lianie]

Say it again, I miss you baby
Say it again, I drive you crazy
Say it again, please stay with me

[Chorus: Both]

Cause if you will call, call my name
Baby this love will never end
I cannot ignore, I love you more
More and more, oh oh
Cause if you will call my name
Oh, again, again and again
I cannot ignore, I love you more
More and more

[Jay]

Oh I know, oh I know
That my time will come
And I pray just to God I miss you like the sun
Cause I know just for sure
That you always be the one
It's my time, it's the place
Where I wanna go
Take this chance for romance
Oh I know it'd grow
Cause I know, oh I know
That you always make me strong

[Lianie]

Say it again, I miss you baby
Say it again, I drive you crazy
Say it again, please stay with me

[Chorus: Both (x2)]

Cause if you will call, call my name
Baby this love will never end
I cannot ignore, I love you more
More and more, oh oh
Cause if you will call my name
Oh, again, again and again
I cannot ignore, I love you more
More and more
