[Verse 1: Jay]

I really hate to let this moment go
Touching your skin, and your hair falling slow
When a goodbye kiss, feels like this

[Chorus]

Don't you wanna stay here a little while?
Don't you wanna hold each other tight?
Don't you wanna fall asleep with me tonight?
Don't you wanna stay here a little while?
We can make forever feel this way
Don't you wanna stay?

[Verse 2: Lianie]

Let's take it slow,
I don't wanna move too fast
I don't wanna just make love,
I wanna make love last
When you're on this high, it's a sad goodbye

[Chorus]

Don't you wanna stay here a little while?
Don't you wanna hold each other tight?
Don't you wanna fall asleep with me tonight?
Don't you wanna stay here a little while?
We can make forever feel this way
Don't you wanna stay?

Don't you wanna stay here a little while?

Don't you wanna stay here a little while?
Don't you wanna hold each other tight?
Don't you wanna fall asleep with me tonight?
Don't you wanna stay here a little while?
We can make forever feel this way
Don't you wanna stay?
