For as long as I remember  
For as long as I've been blue  
Every day since we've been parted  
All I've thought about was you

Didn't need the time for sorrow  
Didn't need the time for pain  
What am I supposed to do  
When living without you  
Was the worst I ever knew?

In a moment like this  
Wanna know, wanna know, wanna know  
What you're looking for  
Wanna know, wanna know, wanna know  
Could you ask for more  
Ooh, in a moment like this  
Wanna know, wanna know, wanna know  
What I have to do  
Wanna know, wanna know, wanna know  
How to get to you, ooh  
In a moment like this

Ever since the day you left me  
Ooh, ever since you went away  
I'm lost and I don't know  
Where am I supposed to go  
I still miss you so

In a moment like this  
Wanna know, wanna know, wanna know  
What you're looking for  
Wanna know, wanna know, wanna know  
Could you ask for more, oh  
In a moment like this

When I need you to hold me  
Say you'll love and never leave me  
My heart will forever be true

In a moment like this

Wanna know, wanna know, wanna know  
What you're looking for  
Wanna know, wanna know, wanna know  
Could you ask for more, oh  
In a moment like this  
Wanna know, wanna know, wanna know  
What I have to do  
Wanna know, wanna know, wanna know  
How to get to you  
Oh, in a moment like this
