One last kiss is all I ever ask from you  
On a night like this there's nothing I would rather do  
One last dream is all you ever give to me  
Nights no longer seem as lonely as they used to be

Uh oh  
One last kiss is all I ever ask from you  
On a night like this there's nothing I would rather do

Oh, on a night like this I'd give you everything  
Although I've missed things kept out of sight  
I'd rather be with you tonight than anything.

And when I feel your touch, sometimes it hurts so much  
The way you look at me can never set me free  
I gotta have your love

Uh oh  
One last kiss is all I ever ask from you  
On a night like this there's nothing I would rather do  
Uh oh  
One last dream is all you ever give to me  
Nights no longer seem as lonely as they used to be

Oh, with a girl like you, I don't know who to be  
Sometimes you play me best out of three  
I just don't want you givin' me your charity

And though I need your touch, sometimes it hurts so much  
And when the feeling's gone, and you still lead me on  
I've got to have your love

Uh oh  
One last kiss is all I ever ask from you  
On a night like this there's nothing I would rather do  
Uh oh  
One last dream is all you ever give to me  
Nights no longer seem as lonely as they used to be  
Uh oh  
One last kiss

One last kiss  
One last kiss  
One last kiss
