Chorus:

I waited now for this,  
I'll always wait for you,  
Just listen to my song!  
Just listen this track!  
If you decide to leave, please don't come back!

Baby, don't move your body, I can feel you!  
Baby, don't look at me cause I can see you!  
When you, and I belong to you,

,  
No, no baby!  
No, no, I can't wait!  
No, no, I can't wait anymore!  
No, no, I can't wait anymore!

Chorus:

I waited now for this,  
I'll always wait for you,  
Just listen to my song!  
Just listen this track!  
If you decide to leave, please don't come back!

,

Chorus:

I waited now for this,  
I'll always wait for you,  
Just listen to my song!  
Just listen this track!  
If you decide to leave, please don't come back!

I can touch you, girl  
I can feel you, girl  
It's ,cause of you!  
When I look in your eyes I see a lot of lies,  
But now that I can fly, just wanna tell you goodbye!  
So baby one more time,  
Tell me you're mine!  
Tell me one more time, cause I can't find the rhyme!  
Chorus:

I waited now for this,  
I'll always wait for you,  
Just listen to my song!  
Just listen this track!  
If you decide to leave, please don't come back!

I waited like a prisoner in this cell,  
I want it secretly, so I play the,  
,is like the hell,  
Girl I find the strength to broke the chains.  
No one, could say that is it true,  
You cannot stand me cause you are crazy!  
When I look in your eyes,  
I see the most beautiful blue.

Chorus:

I waited now for this,  
I'll always wait for you,  
Just listen to my song!  
Just listen this track!  
If you decide to leave, please don't come back!
