life is a mystery
everyone must stand alone
i hear you call my name
and it feels like... home

when you call my name its like a little prayer
down on my knees, i wanna take you there
in the midnight hour, i can feel your power
just like a prayer you know i'll take you there

i hear your voice its like an angels saying
i have no choice i here your voice, feels like flying
i close my eyes, oh god i think im falling
out of the sky i close my eyes, heaven help me!
when you call my name its like a little prayer
down on my knees i wanna take you there
in the midnight hour, i can feel your power
just lika a prayer you know ill take you there
like a child, you whisper softly to me
youre in control just like a child, now im dancing
its like a dream, no end and no beginning
youre here with me, its like a dream
let the quite sing

when you call my name its like a little prayer
down on my knees wanna take you there
in the midnight hour I can feel your power
just like a pray you know I'll take you there
when you call my name its like a little prayer
down on my knees, I wanna take your there
i wanna take you there

life is a mystery
everyone must stand alone
I hear you call my naaaaame
and it feel like... home
