Papa, I think I messed up again  
Was it something I did?  
Was it something I said?  
I don't mean to do You wrong  
It's just the way of human nature  
Sister, I know I let you down  
I can tell by the fact that you're never comin' 'round  
You don't have to say a thing  
I can tell by your eyes exactly what you mean  
That it's?.

Chorus:  
Time to get down on my knees and pray  
"Lord, undo me!"  
Put away my flesh and bone 'til you own  
This spirit through me  
Lord, undo me  
Momma, I know I made you cry  
But I never meant to hurt you  
No, I never meant to lie  
While the world shook it's head in shame  
I let you take the blame  
Brother, I know you labored  
So hard to please?  
But I cut you down and I left you  
On your knees  
Well, I know it must be?

Chorus  
I am? wanting, needing, guilty & greedy  
Unrighteous, unholy, undo me, undo me?  
Abba, you must wonder why  
More times than Peter I have denied  
Three nails and a cross to prove  
I owe my life eternally to you
