eh eh eh eh eh eh eh  
uh oh uhoh uhoh uohohohoh

have you ever  
been in love  
and you know just what im talking about  
its like when you really know you found the person you  
want  
and you want to spend the rest of your life

i thought i been there before  
but now that im sure  
i finally found somebody who cares  
I've given my heart and my soul to her  
and i just want the whole world to know

you're the reason that i breathe  
i want you to know that  
if you were to leave  
then i couldnt go back  
my life would be incomplete  
without you here  
you're the reason that i breathe

ladies if you got a man  
fellas if you got a girl  
why don't you tell them they mean the whole world  
to you, you, you you,

telling you, you're the reason that i breathe

the feeling you get when you call them and they don't  
answer  
and you feel like your whole world is about to stop  
and you cant believe somehow somebody  
makes you feel this way

im talking about, you cant eat (you cant eat)  
you cant sleep  
you cant think at all

its like the person is missing  
why don't you look them in the eye  
and tell them..

[Breathe Lyrics On ]

you're the reason that i breathe  
i want you to know that  
if you were to leave  
then i couldn't go back  
my life would be incomplete  
without you here  
you're the reason that i breathe

ladies if you got a man  
fella's if you got a girl  
why don't you tell them they mean the whole world  
to you, you, you you,

tell them, you're the reason that i breathe

i was broken before i met you  
now im not stressing like i use to  
and i gotta say,  
that you made my life much better  
i can barely breathe  
i can barely breathe  
when youre not with me  
ohh ohhh ohh ohhh

you're the reason that i breathe  
i want you to know that  
if you were to leave  
then I couldnt go back  
my life would be incomplete  
without you here  
you're the reason that i breathe

ladies if you got a man  
fellas if you got a girl  
why don't you tell them they mean the whole world  
to you, you, you you,
