Sugar sugar candy in my mouth.
Stay home watch TV.
A cute boy singer is singing like a man.
I have nothing to do.
It's very very hot outside.
I'm lazy in my room.
I have to water the cactus on the porch.
'Cos it needs a drink.
Thinking about these kinds of things
I suddenly wanted to eat some cookies and dip them in
milk.
I wanna go to the cookie shop.
Cookie day, cookie day, it's a beautiful cookie day.
Cookie day, cookie day, it's a beautiful cookie day.
I have a postcard of a big buffalo.
I bought it during the tour.
I missed a chance to send it to you.
Back in North Dakota.
There're many pretty things in life.
Take it easy. Let it be.
I promise to send it next time to you.
Really means a lot to me.
Thinking about these kinds of things
I suddenly wanted to eat some cookies and dip them in
milk.
I wanna go to the cookie shop.
Cookie day, cookie day, it's a beautiful cookie day.
Cookie day, cookie day, it's a beautiful cookie day.
Cookie day, cookie day, it's a beautiful cookie day.
Cookie day, cookie day, it's a beautiful cookie day.
Cookie day, cookie day, oh yeah.
