One day, I woke up in my bed,  
I said something looks so wrong.  
When I looked around my room, I said something looks  
so strange.  
My god! I've got fish eyes!  
My god! I've got fish eyes!  
My god! I've got fish eyes! Fish eyes! Fish eyes!  
In the meantime I went to school and all my friends  
were shocked.  
They asked me questions. They were so eager to know  
my new views.  
My god! I've got fish eyes!  
My god! I've got fish eyes!  
My god! I've got fish eyes! Fish eyes! Fish eyes!  
Ooh la la... What do I see. Ooh la la... What do I see.  
Ooh la la... What do I see. What do I see. What do I  
see..... wah!!  
Now I can see things so clearly, wider... better than  
before.  
I can't get used to my new world yet and I start  
screaming.  
My god! I've got fish eyes!  
My god! I've got fish eyes!  
My god! I've got fish eyes! Fish eyes! Fish eyes!  
Ooh la la... What do I see.  
Ooh la la... What do I see.  
Ooh la la... What do I see. What do I see. What do I  
see.....  
Ooh la la... What do I see.  
Ooh la la... What do I see.  
Ooh la la... What do I see. What do I see. What do I  
see..... wah!!
