Hot Chocolate.
Super fine ground brown powder.
Hot Chocolate.
Hot as the Sahara desert.
Hot Chocolate.
Don't need to put any sugar in.
Hot Chocolate.
I like the bitter taste.
Nobody can stop the melting chocolate.
Let's go surfing on a tidal wave of chocolate.
Hot Chocolate.
Stirring up the very very sweet foam.
Hot Chocolate.
Sweet smell from somewhere.
Nobody can stop the melting chocolate.
Let's go surfing on a tidal wave of melted chocolate.
