Thanks to Char Star for these lyrics.

Say you wanna be loved
But you wont let me love you
Say you want someone to trust in you, baby
Cant you see thats what Im tryin to do

I know youve been hurt before
And youre afraid to try love once more

Without love by your side, youre only half alive
Cause everybody needs love, oh, yeah
Everybody needs love

Say you wanna be kissed (Mmm, hmm)
But you wont let me kiss you (No, no, no)
Say you wanna be missed (Mmm, hmm)
Cant you see how my arms are missing you

Shes got you hurting so inside
Now with love you try to hide

But no matter how you try
Without love you cant survive
Cause everybody needs love, oh, yeah
Everybody needs love
Oh, loves alright

You need love, I need love
Everybody needs love

Baby, dont you know that
You need love and I need love
Everybody needs love, oh, yeah
Everybody needs love

Say you wake up in the morning, yes, you will
Feeling, ooh, so empty inside (Yeah, yeah, yeah)
I bet I know what your trouble is, baby
You need someone like me by your side

I know youve been hurt before
But dont be afraid to try love once more

Cause without love youll find
Youll have no peace of mind
Cause everybody needs love, oh, yeah
Everybody needs love

You need love and I need love
Everybody needs love, love, love
You need love, I sure need love
Everybody needs love
