by Brandy, Tamia, Gladys Knight & Chaka Khan (from the Set It Off soundtrack)

Chorus: Though I'm missing you

(Although I'm missing you)

I'll find a way to get through

(I'll find a way to get through)

Living without you

'Cause you were my sister, my strength, and my pride

Only God may know why, still I will get by

Who would've known

That you'd have to go

So suddenly and so fast

How could it be

That a sweet memory

Would be all

All that we have left

But know that you're gone

Everyday I go on

(I go on)

But life's just not the same

(Life's just not the same)

I'm so empty inside

And my tears I can't hide

But I'll try, I'll try to face the pain

(CHORUS)

Oh, there were so many things

That we could have shared, uh-huh

If time was on our side

(Time was on our side)

Now that you're gone

I can still feel you near

So I'll smile

With every tear I cry

(CHORUS)

How sweet, were the losses to spare?

But I'll wait for the day

When I see you again

See you again

(CHORUS)

I'm missing you
