Gladys Knight and the Pips

Yeah, mmm, yeah
Do you know that some folks know about it, some don't
Some will learn to shout it, some won't
But sooner or later baby, here's a ditty
Say you're gonna have to get right down to the real
nitty gritty
Now let's get right on down to the nitty gritty
Now one, two nitty gritty
Now yeah, mmm, nitty gritty now
Oooooo wee, right down to the real nitty gritty
Oooooo wee, can you feel it double beatin', I keep
repeatin'
Get right down to the real nitty gritty
Say it again double beatin'
Get on down, we gotta get right down to the real nitty
gritty
Let's get, let's get right on down to the real nitty gritty
It's all right, it's all right
Get on down, get on down
Get right down to the real nitty gritty
Listen to me now
Oooooo wee, ooowee
Come on and let the good times roll
Let the music sink down in to your soul
Double beatin', keep repeatin'
You gotta get right down to the real nitty gritty
Get on down, get on down
Talkin' about the nitty gritty
Get on down, get on down
