Thanks to Char Star for these lyrics.

Do me a favor
Wont you say whats on your mind
I may not have the answer
But I can make it easier to find

Too many times
You gave more than you took
Now I can show you
Things are better than they look

Youre number one
(Youre number one)
In my book
(Youre number one)

Another chapter
Of a love thats yours and mine
This time weve got to capture
Things that should never be denied

My heart reads like a novel
And youll find that Im hooked
Just turn the page
And take a closer look

Youre number one
(Youre number one)
In my book
(Youre number one)

Ohohohohohohohohoho
My number one

I know youre thinkin
What do I want in return
Well, you can rest easy
Youre happiness is my only concern

Its rewarding now

If I can make you feel good
There is just one thing
I want clearly understood

You're number one
(You're number one)
In my book
(You're number one)

Too many times
You gave more than you took
Now it's my turn to show you
Things are better than they look

You're number one
(You're number one)
You're number one
(You're number one)
In my, in my book
(You're number one)

You're number one in my book
(You're number one)

I've got to tell you, you've got to know
You're number one
(You're number one)
Never number two, I wouldn't do that to you
You're number one
(You're number one)
In my book

(You're number one)
