Got to feed the human nature
Got to be a true jet setter
Got to feed the human nature
Got to be a real go getter

I've had my fill, it made me ill
And now I see
That you and me were meant to be
A tragedy

Got to feed the human nature
You must pursue the grand adventure
Got to feed the human nature
You got to lead the life God gave you

I've had my fill, it made me ill
And now I see
That you and me were meant to be
A tragedy

Dialing, darling, dialing my darling
Dialing, darling, dialing my darling

Well, I am dialing, well, I am dialing
On the telephone, on the telephone
On the telephone, on the telephone
I'm going to call you up
We're going to have a conversation
I am dialing

I think I love you
What am I so afraid of
So what am I so afraid of
I'm going to call you up
I'm going to call you up
I'm going to call you up
I'm going to call you up

I've had my fill, it made me ill
And now I see
That you and me were meant to be
A tragedy

It's a scam and it's run by a man with a gun
And you know that he's never gonna let you have fun
It's a scam and it's run by a man with a gun
And you know that he's never gonna let you have fun
