Mummy light the fire
Light the fire
Light the fire (x4)

Spinning on a high wire ride
On a cable car
Look around there's a lot to see
From where we are
Submarines underneath our feet
While we sleep
Lie awake in a silent grave
Six days deep
Goodness me bless my soul

Mummy light the fire
Light the fire
Light the fire
Mummy light the fire (x2)

Fear I feel fear
I feel fear (x2)
I'm in floods of tears

Mummy light the fire
Light the fire
Light the fire
Mummy light the fire

Break every bone I own
Every promise I make
I was caught in a stranger's stare
My first mistake

Mummy light the fire
Light the fire
Light the fire
Mummy light the fire (x2)

Fear I feel fear
I feel fear (x2)
I'm in floods of tears

Mummy light the fire
Light the fire
Light the fire
Mummy light the fire

Light the fire (x3)
Mummy light the fire (x2)
Light the fire (x3)
Mummy light the fire (x2)
Light the fire (x3)
