Who are these people?  
They are too stupid to be your real parents  
I've met some bone idles in my time  
But they really take the biscuit

I tried to make talk to them nice  
I wanted them to like me, yeah  
But the time went by and the look in their eye  
Said it's never gonna do the trick

She's attracted to  
She's attracted to  
She's attracted to

Shes attracted to  
Shes attracted to  
Shes attracted to

Your dad cornered me in the hallway  
While you were in the loo  
He gave me a right talking to  
He said I was a terrorist

Reason I tried but when reason she died  
We were fighting in the drive under the security lights  
And your mom was screaming

She's attracted to  
She's attracted to  
She's attracted to

She's attracted to  
She's attracted to  
She's attracted to

When you finally joined the party  
You took my side  
Then the whole street knew  
What was happening outside

You were screaming at your mom and I was punching  
your dad

You were screaming at your mom and I was punching  
your dad  
You were screaming at your mom and I was punching  
your dad  
When you were screaming at your mom, I was  
punching your dad

You were screaming at your mom and I was punching  
your dad  
You were screaming at your mom and I was punching  
your dad  
You were screaming at your mom and I was punching  
your dad  
You were screaming at your mom and I was punching  
your dad

You were screaming at your mom and I was punching  
your dad  
You were screaming at your mom and I was punching  
your dad  
You were screaming at your mom and I was punching  
your dad  
When you were screaming at your mom and I was  
punching your dad

She's attracted to  
She's attracted to  
She's attracted to

She's attracted to  
She's attracted to  
She's attracted to
