Tailors are the best
See them running with their brollies
Workmen of the week

Sew my buttons on
There?s no rushing perfection
Workmen of the week

Button, button, button, button
Needle, needle, needle, needle
Cotton, cotton, cotton, cotton

Work the wordless week
There?s no drudgery in detail
Maker of the neat

Tailors are the best
And tailors get you dressed
Tailors are the best

Like their ancestors
They are people of great passion
Maker of the neat

Sewing, sewing
Sewing, sewing
