I took a good long look at everything I bought
There was a lot to see but still I wanted more
It looks like mother nature's got herself a whore
With a disregard for health and safety

Fake rabbit, real snake
Terra firma, terra firma
Fake rabbit, real snake
Terra firma, terra firma

Fake rabbit, real snake
Terra firma, terra firma
Fake rabbit, real snake
Terra firma, terra firma

A world of wonder lies beyond the door
Take the first right into town where I am sure
I can find the perfect place or something more
In my mind I fly but I'm still seated

Fake rabbit, real snake
Terra firma, terra firma
Fake rabbit, real snake
Terra firma, terra firma
(Down to)

Fake rabbit, real snake
Terra firma, terra firma
Fake rabbit, real snake
Terra firma, terra firma

You don't eat enough
You don't sleep enough
You talk too much
Yes, you talk too much

Fake rabbit, real snake
Terra firma, terra firma
Fake rabbit, real snake
Terra firma, terra firma
(Down to)

Fake rabbit, real snake
Terra firma, terra firma
Fake rabbit, real snake
Terra firma, terra firma
(Down to mud)
