[Knightowl]

(Intro 1)

I was riding in my rola  
That's when I spotted  
A morena, firme chola  
I pulled right over  
And I asked her, "What's your name"  
She said, "Ilene," and I know  
How to play her game  
Hopped right in and then  
I took her, for a ride  
Up on the hillside  
So we can go, bump and grind  
That's when she turned and

(Verse 1)

Damelo, papito y yo me lo quito  
Asi me gusto a mi  
Pinche cochina, flaquita, muy fina  
Me lo, chupo, asi  
Licked on my ass, up to the sac  
And then, she sucked the cock  
And wouldn't you know it, right after she blew it  
Then she rolled my rock  
I wanted to cum, but she said she was done  
Cause pussy is not for free  
I told her to go, cause bitch, you're a hoe  
Get off your ass and leave, cause  
Baby, you're dirty  
Filthy, yeah, ya heard me  
Go wash your coochie  
Cause baby, you're a hoochie

[Knightowl]

That's right...  
You know what I'm talking 'bout...  
And you know who you is...  
You punk ass little biotch...

Chorus: Knightowl & Kozme  
I like 'em slutty girls

I got a lot of bitches  
All around the world  
I never have to pay  
For pussy, cause it's free  
So hoes, get on your knees  
And suck on these, suck on these  
Oooh-oooh-oooh wee

(Rap Verse)

I know this girl, she want to get it on with me  
She wants to do Mr. K-N-I-G-H-T  
Don't ask me why, but I'm a comply  
I cannot lie, she caught my eye  
She looked kind of good, she live in the hood  
She asked my name, "What set you claim?"  
I said, "Don't trip," she said, "Are you Blood or a Crip"  
And I told her, "Chale!"  
I'm from the crazy calles, Walktown  
Be the clique, but I live in the valle  
Whenever I fuck them hoes, they give me blows  
I smelled the pussy, might be gross  
I like to beat the cat  
Short  
Tall  
Skinny and fat  
Just gimme the cunt  
The clit  
The butt  
Your tit  
Up in your ass, til I make you shit  
I made them yell, scream and cry  
I'm sorry if I got the nut in your eye  
But I know that you like it  
Just sit on the bone and ride it  
Don't fight it, come and suck it  
Open up your legs, and let me fuck it

Repeat Chorus

(Intro 2)

I was riding in my rola  
That's when I spotted  
A morena, firme chola  
She said to me, and said  
"Hello, my name's Lizette  
I like your ride  
And your music makes me wet"  
Hopped right in, cause  
I knew she, was a trick  
Headed straight to the  
Nearest, Motel Six

Lo and behold

(Verse 2)

She sucked me hard, balls and all  
I shove 'em straight up her mouth  
She was still dressed, her face was a mess  
Then I took off her blouse  
She looked really dumb, her face full of cum  
And dripping off her chin  
She washed up, jumped back in the bed  
And then she sucked it again  
She had no shame, the bitch had no game  
I played her like a flute  
You fuckin dirty birdie  
Two-dollar prostitute

Repeat Chorus Twice
