[Beyonce]

Here I am, looking in the mirror
An open face, the pain erased
And now the sky is clearer
I can see the sun
Now that all, all is said and done, oh

[Marc]

There you are
Always strong when I need you
You let me give
And now I need, seriously and protected
With the one I will love
After all is, all is said and done

[Beyonce] (Marc)

I once believe that hearts were meant to bleed
(Inside I once believe that hearts were meant to bleed,
oh baby)
But now I'm not afraid to say

[Beyonce & Marc]

I need you, I need you so stay with me

[Beyonce] (Marc)

These precious (precious) hours (yeah)
Spend each hour in open arms
And dream into, into tomorrow

[Beyonce & Marc]

Where there's only love
After all is, all is said and done

[Beyonce] (Marc)

(Yeah baby) Oh baby
(Inside I once believed, that hearts were meant to
bleed)

[Beyonce & Marc]

I'll never be afraid to say I need you, I need you, so

here

[Beyonce]

So here we are in the still of the moment
Fear is gone, hope lives on

[Beyonce & Marc]

We found our happy ending
For there's only love
And this sweet, sweet love
After all is, all is said and done

[Marc] (Beyonce)

Yeah baby after all is (all is)

[Marc & Beyonce]

All is said and done
