I'm A Monter

music by Koo Koo Boy,

Lyrics by Scott Coblio

Are you a monster? (leave me alone!)

Is that your real color? (leave me alone!)

Are you a zombie? (leave me alone!)

I'm a monster, you're a monster

Just let it go

Everyone's a freak-a-deek so

Go with the flow

Where do you come from? (leave me alone!)

Are you an alien? (leave me alone!)

Someone said you're a you-know-what (leave me alone!)

I'm a monster, you're a monster

Just let it go

Everyone's a freak so

Go with the flow

Until you've walked around town in a feather boa

You've never really lived

Until you've walked around town in a feather boa

It's always best to give

I'm just a star!

Are you a monster? (leave me alone)

Is that your real hair color? (leave me alone)

Are you zombie? (leave me alone)

[repeat chorus]

[finish with:]

I'm a monster you're a monster

Just let it go
