The Girls

by Koo Koo Boy

lyrics and music by Scott Coblio

What am I going to do

What am I going to do

What am I going to do

About the girls?

Ha-ha-ha! You've trashed me!

But I won't blame you

I won't blame you

I just wanna know--

What am I going to do

What am I going to do

What am I going to do

About the girls?

La-la-la-la-la-la

They're all singing

'Cause I'm over!

But I won't say it

I just wanna know

What am I going to do

What am I going to do

What am I going to do

About the girls?

Bang! Bang! Bang!

They're happy!

And I'm invisible

I'm invisible

I am invisible to the girls
