If this is the way it's going to be  
Then I am so sure  
That life is lost  
It's only thrill and it's tomorrow

I can't see your face  
cause I'm a looking at  
I can't see your face  
cause I'm a looking at you

The way you walk  
The way you step on through  
The way you do  
All the things you do  
The way you walk  
The way you step on through  
I can't tell truth

My shadow  
My shadow  
My shadow  
My shadow is stuck

It's like the darkness  
All you ever seem to be  
And nightmares only  
make you a memory

I can't see your face  
cause I'm a looking at  
I can't see your face  
cause I'm a looking at you

The way you walk  
The way you step on through  
The way you do  
All the things you do  
The way you walk  
The way you step on through  
I can't tell truth

My shadow  
My shadow  
My shadow  
My shadow is stuck

I don't feel too well  
I don't feel too well  
And I don't really care  
Cause I don't feel too well  
Cause I'm a looking at you!
