Darkness, darkness, be my pillow  
Take my head and let me sleep  
In the coolness of your shadow  
In the silence of your deep

Darkness, darkness, hide my yearning  
For the things I cannot be  
Keep my mind from constant turning  
Toward the things I cannot see now  
Things I cannot see now  
Things I cannot see

Darkness, darkness, long and lonesome  
Ease the day that brings me pain  
I have felt the edge of sadness  
I have known the depth of fear

Darkness, darkness, be my blanket  
Cover me with the endless night  
Take away, take away the pain of knowing  
Fill the emptiness of right now  
Emptiness of right now, now, now  
Emptiness of right now

Darkness, darkness, be my pillow  
Take my hand and let me sleep  
In the coolness of your shadow  
In the silence, the silence of your deep

Darkness, darkness, be my blanket  
Cover me with the endless night  
Take away, take away the pain of knowing  
Fill the emptiness of right now  
Emptiness of right now, now, now  
Emptiness of right  
Oh yeah, oh yeah

Emptiness, emptiness  
Oh yeah
