Intro:

I wanna dedicate this right here  
To my big brotha D. (Keep ya head up Derrick)  
Big Zach (Big Zach)  
And my \*WOOF\* Fly Dawg  
Ya'll my dawg

Chorus:

Ay dawg (Ay dawg), Ay Dawg (Ay dawg)  
I've been all around the world  
But I'm don't roam wit' nobody but my dawg  
(x3)  
Ay dawg (Ay dawg), Ay Dawg (Ay dawg)  
I've been all around the world (world, world, world....)

Verse:

This is for my trio, my true, my raw dawgs  
Hat low, pants saggin', and breakin' the law dawg  
Seen it all but never seen what you saw dawg  
Cooler than a chili cheese with slaw dawg  
We don't give a damn if ya' big and ya' tall dawg  
Top slick cool with breakin ya' jaw dawg  
We ain't scurred, nope not at all dawg  
Look around, you and ya' crew get hauled off  
Once it's on, it's poppin, it's never called off  
Lay back in the club, white caddy like Boss Holmes  
(Watch ya' self)  
Don't step on my pole dawg  
Ya' fake, ya' flanged, and \*woo\* ya' flawed dawg

Bridge:

Watch ya step, thats my dawg  
Getcha hands off him, thats my dawg  
You know...

Chorus

Verse:

Would ya' hear me from the pen, hey I missed ya call  
dawg  
Gotcha locked up, wasn't even ya phone dawg

'Least we could hit the mall dawg and brawl dawg  
Parkin' lot pimpin, holler at the broads dawg \*WOO\*  
Ya' dawg called, this is for ya'll dawg  
To all my drilled \*WOO\* who want it all dawg  
Been all around the world, I done seen it all dawg  
Watch them come and go, rise and fall dawg  
On my toes like Mike, I'm off the wall dawg (Meow)  
Eatin' \*WOO\*, like sushi I'm raw dawg  
The biggest mac you done ever saw dawg  
Jazze Pha, to my \*WOO\* I'm ya'll dawg
