I'm already dead  
With dough I need to get away  
And you need time on your own  
Guess you're better off alone

I'mma step outside  
Can't stop I gotta get a ride  
Always have something to say  
Love is such a price to pay

Oh, oh, oh

What else you believe could go wrong  
Please tell me what's going on

[Chorus]

My man is out of town  
I'm alright, I'm alright  
He tries to make me cry  
I'm alright, I'm alright  
He's never satisfied  
I'm alright, I'm alright  
I'm alright, I'm alright

You broke my heart  
(?)  
And you need time on your own  
Guess you're better off alone

Don't play with me  
You're always criticizing me

Always have something to say  
Love is such a price to pay

Oh, oh, oh

What else you believe could go wrong  
Please tell me what's going on

[Chorus]

My man is out of town  
I'm alright, I'm alright  
He tries to make me cry  
I'm alright, I'm alright  
He's never satisfied

I'm alright, I'm alright  
I'm alright, I'm alright

[Flo Rida - Rap Verse]

Yeah shawty you alright  
But you ain't really gotta be alone  
I'm in the move, stick around  
In position you all night  
So you can tell your man to get goin'  
Breaking the roof, I got a devvy  
I'm gonna pound the dough  
Official when a sales go strong  
Shawty might burn like a kidney stone  
Never meant to curb  
I would never do you wrong  
Lil' mama you deserve  
At a different sason  
Before you break your nerve  
Let me get you in the zone, my lane  
Rock with me  
You don't wanna miss a good thing  
Probably when your mind said that you changed  
For the best, try to hold it down  
No more stress, get you on the ground  
Let's mess around  
They gotta be the first  
Get your man out of town

Oh, oh, oh

[Chorus]

My man is out of town  
I'm alright, I'm alright  
He tries to make me cry  
I'm alright, I'm alright  
He's never satisfied  
I'm alright, I'm alright  
I'm alright, I'm alright

My man is out of town  
I'm alright, I'm alright

He tries to make me cry  
I'm alright, I'm alright  
He's never satisfied  
I'm alright, I'm alright  
I'm alright, I'm alright
