(Verse I)

I've been waiting right here
waiting for you
you've been gone for so long
i guess we're through
you tried to come to me
i wouldn't take you back
you made your worst mistake
let me see you deal with that

(chorus)

surrender
baby stop trying
surrender
i don't want you back
all you have to do is admit we're through

(verse II)

i was walking down the street and you said hi
but i just ignored you and you tried to hide
i just don't get it
just leave me alone
i said i don't want you anymore

(chorus)

surrender
baby stop trying
surrender
i don't want you back
all you have to do is admit we're through

(verse III)(2x's)

and no i'm done
done with you
and now i'm through through with you
and now i'm done done with you
cuz we're through

(chorus)

surrender
baby stop trying
surrender
i don't want you back
all you have to do is admit we're through
