Wanna talk wanna talk about  
Talk about body  
Body building  
I'm gonna fuck my best  
I'm gonna fuck my best  
I'm gonna fuck my best to get a little tiny baby

We've got holes  
Places to stick our poles  
Chips vargas knows  
Ask him about the loop hole  
I'm gonna fuck my best  
I'm gonna fuck my best  
I'm gonna fuck my best to get a little tiny baby

We want some options  
There is a way  
Why don't you adopt  
Borrow someones cock  
Call up the bank  
We all scream now

Is it really so hard to make a new heart  
Sharing our love goes on a credit card  
And we put paper to pen and we ask all friends  
Big plans for a newborn gay creation

Why procreate and overpopulate  
There's insecurity, questioning our liberty  
I'm gonna fuck my friends  
I'm gonna fuck my friends  
I'm gonna fuck my friends to get a little tiny baby

Raise our kids, radical politics  
Sontag in the crib, loose joints lullaby  
I'm gonna fuck my friends  
I'm gonna fuck my friends  
I'm gonna fuck my friends to get a little tiny baby

We want some options  
There is a way

Why don't you adopt  
Borrow someone's cock  
Call up the bank  
We all scream now

Is it really so hard to make a new heart  
Sharing our love goes on a credit card  
And we put paper to pen and we ask all friends  
Big plans for a newborn gay creation
