I know that we'll change  
We'll take our time to rearrange  
There's no need to preach  
Your worries will be out of reach

Don't waste your time  
Let go of all them everyday crimes  
We seem to live, forget to give  
We have to learn how to forgive

Nothing's gonna be bad if you're up to something good  
And if it's gonna be bad we'll turn it into something  
good  
Nothing's gonna be bad if you're up to something good  
And if it's gonna be bad we'll turn it into something  
good

I just want you to feel

So alive, so alive  
Baby, I just want you to feel alive  
So alive  
Baby, I just want you to feel alive  
So alive  
Baby, I just want you to feel alive  
So alive  
Baby, I just want you to feel alive  
To feel alive  
To feel alive  
To feel alive  
To feel alive

Don't waste your time  
Let go of all them everyday crimes  
We seem to live, forget to give  
We have to learn how to forgive

Nothing's gonna be bad if you're up to something good  
And if it's gonna be bad we'll turn it into something  
good

I just want you to feel

So alive

So alive

So alive, so alive

Baby, I just want you to feel alive

So alive

Baby, I just want you to feel alive

So alive

Baby, I just want you to feel alive

So alive

Baby, I just want you to feel...

To feel alive

To feel alive

To feel alive

To feel alive
