1-2! Caught you motherfuckers in the studio

You know, this ain't Julio

Fuck around, you smokin the cooty though

Fuck you niggaz with sports shirts, you niggaz rap the worst

I piss and take a shit on your verse

In front of your family. stick my cock in your nurse

You better buy the ass, stop tryin to get the pussy first

Cornballs in Symphony Hall, I stand proud and tall

Look at your wife, the bitch is trife, face like a grey mice

I rock the sheepskin, take a picture of me twice

Suck my dick, congratulate me like LL and Slick Rick

Fuck the movie flicks

Buy your girl a jersey, some Yankees tix

Your phony-ass DJ let the gorilla mix

Whip his ass when he come home at six

Yo~! Bring some girls, no cock and dicks

Gt your heroin, I got your fix

That's the mansion, your favorite stars' naked flicks

Let you cheat like Eric Bonet

Pull my dick out, fuck Halle Berry and Renee

Most of you cats like the men, y'all look the other way

Leave your girl sittin on the toilet, walkin the one way

The peanut butter way, you hang with them pissy asses

Girls with deceivin looks and masks-es

I'm the type of guy to shit on your Armani glasses

You know~! You buy the case by the pound

Look at your motherfuckin pie face, look at you turn round

Go put on your fuckin cap and gown

I'll let you get on stage, I'll watch you try to fuckin get down

Yo I'm in this motherfuckin piece, I'm in this motherfucker to release

You niggaz know the shit, you niggaz know who's legit

Fuck around I'll look at you and look at you and make you have those big tits

Fuck around your face full of zits

Look around you can't rap you the fuckin pits
I hate this shit, you fake in this shit
You ain't takin this shit, you ain't doin nothin, you ain't
earthquakin this shit
Look around, you know you cats how you sound
Fuck the sports gear, fuck the game
Fuck the shit yo I put you to shame
You won't even know your motherfuckin name, after I
finish wit'chu
I'll end the spinach wit'chu, I'll put innings to you
Fuck around make the game and I'll bring the linens to
you
You can't dress for shit, you won't test for shit, you ain't
the best for shit
FUCK YOU~!
