If you can't find better things to do  
Than tell me stories about her that you think are true  
I don't wanna hear anything about her that's bad  
I don't wanna hear anything that makes me sad

I don't want to know  
(I don't want to know)  
I don't want to know  
(I don't want to know)

I don't want to know  
You'd better turn around and go  
I don't want to know

I don't wanna listen  
I'm not gonna hear you  
I believe what I want  
No matter what you do

I believe what I want  
No matter what you do  
I believe what I want  
No matter what you do

I don't care, don't want another word  
Of anything you say  
I don't wanna hear anything  
You just keep away

I don't want to know  
(I don't want to know)  
I don't want to know  
(I don't want to know)

I don't want to know  
You'd better turn around and go  
I don't want to know
