I know this girl
And know you well
You want her now
She needs you now
No matter where you go
No matter what you do
SheÃ, 'll be for you
I know she will
I know she will

Take my advice
Treat her good, treat her right
Smile for her
SheÃ, 'll be your world
No matter where you go
No matter what you do
SheÃ, 'll be for you
I know she will
I know she will

She told me how she longed for you
Asked me what to do
And IÃ, 'm wondering how to
Make you see
All youÃ, 've got to say
Make her come your way
And I know she will

Just take her hand
SheÃ, 'll go with you
One to her

SheÃ, 'll be your world
No matter where you go
No matter what you do
SheÃ, 'll be for you
I know she will
I know she will

No matter where you go
No matter what you do
SheÃ, 'll be for you

I know she will
I know she will

She told me how she longed for you
Asked me what to do
And Iã, 'm wondering how to
Make you see
All youã, 've got to say
Make her come your way
And I know she will

Just take her hand
Sheã, 'll go with you
One to her

Sheã, 'll be your world
No matter where you go
No matter what you do
Sheã, 'll be for you
I know she will
I know she will
