Hey, hey, hey
I want to tell you something
So listen try to understand
Hey, hey, hey
If you continue to chase the sun
Iã, 'll never be your man

Iã, 'll count the times that I told you
You really shouldnã, 't try
And I told you
Cause baby youã, 'll just cry for a shadow
Believe me
Baby, baby, baby

Is this the dream youã, 're crying for
Is this the dream
Is this the dream youã, 're crying for
Is this the dream
Hey, hey, hey

I better warn you now
Someday youã, 'll find yourself alone
Hey, hey, hey

And lifeã, 's not pretty then
Itã, 's ugliness will hide the sun

Iã, 'll count the times that I told you
You really shouldnã, 't try
And I told you
Cause baby youã, 'll just cry for a shadow
Believe me
Baby, baby, baby

Is this the dream youã, 're crying for
Is this the dream
Is this the dream youã, 're crying for
Is this the dream

Iã, 'm going to do just how I feel
Donã, 't try to hustle me the way I feel
Hey, hey, hey

I'll count the times that I told you
You really shouldn't try
And I told you
Cause baby you'll just cry for a shadow
Believe me
Baby, baby, baby

Is this the dream you're crying for
Is this the dream
Is this the dream you're crying for
Is this the dream

Is this the dream you're crying for
Oh you can't live with a dream
You can't buy with a dream, oh
Is this the dream
Is this the dream you're crying for
