well no one told me about her
the way she ??????
no one told me about her
how many people cry
but its too late to say your sorry
i would have knew
why should i care
please don't bother tryin to find her
shes not there

(???)

well no one told me about her
what could i do
well no one told me about her
though they all knew
but its too late to say your sorry
i would have knew

why should i care
please don't bother tryin to find her
shes not there

(??)

well no one told me about her
what could i do
well no one told me about her
though they all knew
but its too late to say your sorry
i would have knew
why should i care
please don't bother tryin to find her
shes not there
