It's summertime and the living is easy  
The bees are jumping and the cotton is high  
Your daddy's rich and your mama's good looking  
Would you hush, pretty baby, don't you cry

One of these mornings you're going to wake up singing  
There you're going to spread wings and take to the sky  
But till that morning ain't nothing, nothing going to  
harm you  
With your mommy and daddy there standing by  
It's summertime and the living is easy  
The bees are jumping and the cotton is high  
Your daddy's rich and your mama's good looking  
Would you hush, pretty baby, don't you cry
