You don't need any reason
Do you, baby, oh?
Baby, you should know
That by now

But if you need a reason
I'll give one to you
Oh, yeah, you make me feel good
Oh, yeah, you make me feel good

I don't need any reason
When I hold you, oh
I never do
Ask myself why

But if you need a reason
I'll give one to you
Oh, yeah, you make me feel good
Oh, yeah, you make me feel good

So good, so good, don't have to justify
Why I feel so good, so good, so good
Never thought could be so good to me

But if you need a reason
I'll give one to you
Oh, yeah, you make me feel good
Oh, yeah, you make me feel good

So good, so good, don't have to justify
Why I feel so good, so good, so good
Never thought could be so good to me

You don't need any reason
Do you baby, oh?
Baby, you should know
That by now

But if you need a reason
I'll give one to you, oh yeah
You make me feel good, oh yeah
You make me feel good
