[audio clip]

I took her to an empty house in westchester i had
already picked up.
When we got there i told her to wait outside, pick wild
flowers.
I went upstairs and stripped all of my clothes off.
I knew if i did not i would get her blood on them.
When all was ready i went to the window and called
her.
Then i hid in the closet until she was in the room.
She saw me all naked and began to cry and tried to run
downstairs.
I grabbed her and she said she would tell her mama.
First i stripped her naked.
How she did kick bite and scratch.
I choked her to death.
Then i cut her into small peices so i could take my meat
to my room, cook
And eat it.
Sweet and tender her ass roasted in the oven
It took me nine days to eat her entire body.
I did not fuck her.
Though i could have as i wished.
She died a virgin.
