I don't want to be out in the stands.
I want to be on stage playing with my own band.
I want girls to scream out my name
And I want guys to look up to my fame.
And just for kicks,
I'll write some killer lyrics...

We'll call ourselves The Notaries just for fun,
And we'll go platinum before it's done.
We will be on tour for so long,
That everyday we'll write a new song.

We'll have a party everyday,
And we won't retire someday.
We'll play in basements, in parking lots.
We've got the skills others haven't got.
And just for kicks,
I'll write some killer lyrics...

We'll call ourselves The Notaries just for fun,
And we'll go platinum before it's done.
We will be on tour for so long,
That everyday we'll write a new song.

Yeah

We'll call ourselves The Notaries just for fun,
And we'll go platinum before it's done.
We will be on tour for so long,
That everyday we'll write a new song.
