[Don't know me, show me liz-ove]

(Verse 1)

Starin, doesnt know da bometo

In return I know she scopin out this negro

Man this loco, just cinco mi juevos

And that Koopsta gon' tell you how the story goes

Man, them hoes gotta make them a livin

So you cheap niggas need to start tippin

Come closer, got plenty tens and twenties

Got some' for me? Quickly breakin out them hundreds

In her bikini, I just quickly start slidin

Them benjamins in my hand, started grippin

Now it's nothin but a novelty, gettin close to me

Coochie, to the T, 'finna do it like a G

Man that D.P.B., pass me anotha

Not that cheap shit, that pure, or Moet-ahh

As the DJ started mixin Three 6 Mafia

Now the hoes begin to holla, err-eh-err-eh

(Koopstaaaa!)

Said enough, I know you niggas think I'm trickin  
But I ain't trippin, straight up dickin on these bitches  
And as a leader, V.I.P, see the pimps lookin funny,

(Verse 2)

I like them pretty bitches  
Spanish bitches, black ass bitches, Latin bitches  
Different origin bitches that sucks up on a nigga dick-  
ey!  
"Your dick so good, where you get that from?" is what  
she say  
From makin and bumpin good mix with that muh'fuckin  
Triple man  
Yeah, a different text  
She workin with that, so freaky with this  
I'm knockin the skin up off of you to rest  
Come near, come near, come see the Koopsta wipe his  
tears  
I do think positive when someone cares of how I feel  
I'm not that good enooough  
Cause my hearts been brooo-keen  
Now that I'm doin goo-ood  
Now she wanna give me one more chaaance  
Most bitches don't understaaand  
That I once was a gentlemaaaan  
Oh, I hope you can comp-errr-heeend  
That the Koopsta came here to staaay  
No more bein in love for ya kills  
Best ta watch yaself (Watch yaself)  
Feels good, bein free  
Got the Koopsta singin ohh welll (Ohhh welll)

(Hook x2 to fade)
