Sometimes we're friends  
Sometimes we're strangers  
And though there are tears  
There's always love

It hurts when you cry  
From words thrown in anger  
Warm feelings run deep  
But that's not enough

It takes a little rain  
To make love grow  
It's the heartache and the pain  
That makes the real heart show

Where the sun always shines  
There's a desert below  
It takes a little rain  
To make love grow

Hearts disagree  
Then they grow closer  
Honesty wins  
When it's someone you trust

Forever takes time  
True love is never over  
It's filled with new starts  
Just look at us

It takes a little rain  
To make love grow  
It's the heartache and the pain  
That makes the real heart show

Where the sun always shines  
There's a desert below  
It takes a little rain  
To make love grow
