"No Matter How High"

When I was a young boy I would dream about life
And wonder just how sweet it would be
But baby I got lucky when I met you that night
Now you'll always have this promise from me.

No matter how high I get
I'll always look up to you
You'll always be number one
I'll settle for number two
You've always been there for me
Baby I must confess
I'll always look up to you
No matter how high I get.

Up here on this mountain it gets crazy sometimes
So crazy I don't know what to do
When I've had it up to here with all of their lies
I count on you to tell me the truth.

(Chorus)

You are the one that turned it around
You help me keep my feet on the ground.

(Chorus)
